ABOUT US

Idea Factory was established in the year 1998 with a core objective to serve the corporate gifting industry. The principals and founders are highly experienced in corporate gifts, promotional products, awards, and incentive programs. Over time, the company has grown into a leading gifting organization with a strong presence across the country, offering an extensive range of custom awards, trophies, recognition items, and personalized corporate gifts. We are proud to have a dedicated team, many of whom have been with us since our inception, upholding our tradition of excellence and commitment.

Our inventory includes both custom-manufactured products and unique branded items sourced from around the globe. Supported by our experienced sales team, in-house graphic designers, production department, and efficient delivery staff, we ensure every order is completed with precision and delivered on time.

A professional company that produces prestige trophies and corporate gifts.

With over 25 years of experience, we have created a diverse range of gifts, trophies, and awards. We have developed expertise in both metal and wooden gift manufacturing. Our commitment to quality remains our highest priority, ensuring complete customer satisfaction through exceptional craftsmanship and reliable service.

We use premium materials such as high-grade brass, steel, alloy, and wood to manufacture elegant, durable, and functional corporate gifting products. Our market research and analysis help us identify evolving trends and deliver innovative products that meet customer expectations. With creativity, expertise, and a highly skilled team, we continue to provide valuable gifting solutions that leave a lasting impression.
